Xzibit - Get Your Walk On:

Our Understanding After
Years Of Research & Due Diligence...

The powerful imagery and lyrics in this video pretty much speak for themselves. It is a call to arms for society to start taking a stand against corporations posing as police abuse and brutality which runs rampant in today's world. Everyone has a personal story where police abuse has affected themselves or someone they know. Video and audio evidence cannot be ignored with today's technology. "Neighborhood crimewatch we police the police. They can't arrest the whole community,"
